FOR FILE

Mr. C. M. Ziebach,
Supt. Indian School,
Fort Totten, N. Dak.

Sir:

Your letter of Sept. 27, 1909, enclosing Indian census as of June 30, 1909, has been received.

It is noted that 45 Indians on your Devils Lake roll ^{and} 185 on the Turtle Mountain roll are indicated as "not enrolled". Please advise if the Indians so marked should be included in the census you forward, or are they included in the enumeration of some nearby Superintendent? Is there any question as to their status as Indians?

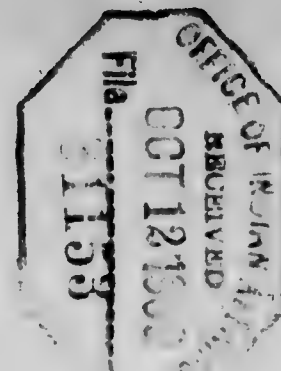

Please give this matter prompt attention.

Very respectfully,

(Signed) C. F. Hauke,
Chief Clerk.

Hon. Commissioner of Indian Affairs,
Washington, D. C.

Sir:

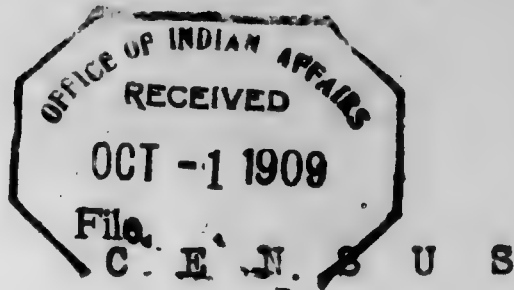

I have the honor to acknowledge receipt of Office letter of the 2nd instant relative to names included in the Turtle Mountain and Devils Lake census, marked "not enrolled", requesting advice if the Indians so marked should be included in the census I forwarded, or are they included in the enumeration of some nearby Superintendent; also if there is any question as to their status as Indians.

Replying thereto I will state that these names should not be included in the enumeration of the census, the names are given only as convenience in ascertaining who the husband or wife, as the case may be of those members who are married outside of the tribe. Some of these persons are white people and have no status as Indians. Some of them are enrolled at other reservations, and some are possibly Indians, but not enrolled at any agency.

Very respectfully,

HWC.

Superintendent.
